APRIL 12-14, 2011 CHAPEL HILL, NC

Ethical, Legal & Social Implications (ELSI) Research Program, Congress 2011:

**"Exploring the ELSI Universe"**. Registration and abstract submission are now open.

The ELSI Congress, hosted by the Center for Genomics and Society at UNC-Chapel Hill, will showcase empirical research, conceptual and normative scholarship, and policy contributions from all aspects of the Human Genome Project. All with any interest in these areas are invited to attend. Please take advantage of this local conference of international stature. More details can be found at: <http://tinyurl.com/ELSI2011>.

**UPCOMING**

SEPTEMBER 22-24, 2011:

**Junior Scholars in Bioethics Workshop, Wake Forest University – Applications now closed.**

This new initiative gives junior (untenured) faculty working in bioethics an opportunity to present works-in-progress to scholars in bioethics and related fields. Commentators will provide constructive feedback to presenters with the goal of fostering scholarship in bioethics.

The expectation is that the workshop will assist scholars in revising papers prior to submitting them for publication. The notification of successful applicants will be after April 30, 2011. For more information, please see the Junior Scholars in Bioethics Workshop at:
