### Upcoming Events

---

#### **SAVE THE DATE - FRIDAY, APRIL 5, 2019**

*Beyond Our Beginnings: 50 Years of Bioethics* is a  
one-day conference surveying the past, present, and  
future of bioethics scholarship, practice, and  
policy. The conference, organized by the Wake Forest  
University Center for Bioethics, Health, & Society,  
features senior scholars whose work has shaped the  
field.

The program includes philosophers, historians, social  
scientists, and lawyers, all of whom have been  
instrumental in creating and sustaining the field of  
bioethics. They will reflect on where we have been  
and where we should be going.

**Location:** [Graylyn International Conference Center](#) in  
Winston-Salem, NC. Conference Schedule &  
Registration is free, but space is limited. To register:  
<http://bioethics.wfu.edu/conference-area/>.

## Congratulations

---

Congratulations to **HAILEY CLEEK, JD/MA BIOETHICS** joint degree student. She has published in the Harvard Law School *Bill of Health* blog. Hailey's blog post is titled - "Ohio's Fetal Heartbeat Bill and the Effort to Restrict Abortion Access". Click [here](#) to read the post

*Bill of Health* was launched in September 2012 by the [Petrie-Flom Center](#) at [Harvard Law School](#) to provide a one-stop shop for readers interested in news, commentary, and scholarship in the fields of health law policy, biotechnology, and bioethics. Since then, they have had 90 contributors from 49 different institutions across the globe contribute to build this platform.

## ANNOUNCEMENT

### SUMMER ADMISSION WITH ONLINE COURSES

Interest in Wake Forest University's Bioethics Graduate Program educational offerings continues to grow beyond our immediate geography. Therefore, the graduate program is now offering summer admission to its certificate options (Graduate Certificate in Bioethics, Graduate Certificate in Biomedical Research Ethics, and Graduate Certificate in Clinical Bioethics).

The summer admission is geared to working professionals located further than two hours from Winston Salem. Other circumstances (such as an atypical work schedule) may be considered. Students admitted during the summer term will take one or two courses during the summer via an online format. Four courses can be completed over two summers. Working professionals interested in one of the graduate certificates who live within two hours of Winston-Salem should continue to apply for the fall or spring semester with evening/once a week on campus courses.

For more information about Graduate Certificate options, click : [\(http://bioethics.wfu.edu/academic/graduate-programs/graduate-certificates/\)](http://bioethics.wfu.edu/academic/graduate-programs/graduate-certificates/) and/or contact Vicky Zickmund ([zickmuvl@wfu.edu](mailto:zickmuvl@wfu.edu))

## Graduate Program in Bioethics

---

**The Bioethics Graduate Program at Wake Forest University is accepting applications for Summer 2019 (certificate/online course only) and Fall 2019 and Spring 2020 admission.**

The Program provides an educational opportunity in bioethics for current and future professionals, including health care providers, researchers in biomedicine and the life sciences, lawyers, and professionals in health and research administration and the biotechnology industry. The program is attractive to working professionals as well as students in pre-health, pre-law, and humanities programs who will continue onto professional schools and/or doctoral programs. The students in the Bioethics program bring a diversity of academic, employment, and life experiences to the classroom. The program faculty is nationally recognized in the field of bioethics.

The small class sizes and versatile curricular options enable students to tailor the program to their individual interests. The program emphasizes face-to-face interaction, promotes scholarly and interpersonal communicative capabilities, and fosters close relationships among students, faculty and alumni.

The Graduate Program offers a Master of Arts degree and three Graduate Certificate options, as well as several joint degree options. The program is flexible for both full and part-time study. For more information, including program philosophy, course and faculty listings, and application procedures, please contact [Vicky Zickmund](mailto:Vicky.Zickmund@wfu.edu), (336-716-1499) as well as visit the website: <http://bioethics.wfu.edu/academic/graduate-programs>

## Opportunities

**Funding: The Center for Bioethics, Health & Society** is now accepting applications for grants up to \$8,000 for research, course development and other scholarly projects pertaining to Bioethics. The proposal deadline is January 14, 2019.

The **Center for Bioethics, Health & Society** also accepts, on a rolling basis, applications for small grants to support Bioethics activities.

For information and the application form for this funding opportunity, please see the CBHS Funding Application on the Center's website.

**Donation Button:** There is now a donation button online. Here is a link, bottom right hand side, "Support Our Programs". This is an opportunity to give to the Center for Bioethics, Health and Society, or directly to the Graduate Programs of Bioethics. Thank you for considering Wake Forest Bioethics in your annual giving campaign!
