Dr. Ryan Maves is a Professor of Medicine and Anesthesiology at the Wake Forest University School of Medicine in Winston-Salem, North Carolina, where he serves as an attending physician in the Sections of Critical Care Medicine and Infectious Diseases. A graduate of the University of Washington School of Medicine, he completed his internal medicine residency and fellowships in infectious diseases (ID) and critical care at the Naval Medical Center in San Diego, California. He retired from the United States Navy with the rank of Captain in 2021 after 22 years of active-duty service and joined the faculty at Wake Forest. He is board-certified in internal medicine, infectious diseases, and critical care medicine.
